Hamas: Talks Excuse for PA to Allow Israel to Wipe Out Palestinian Cause

Gaza's leaders say they will 'step on heads of those who dare cede right of return, Jerusalem' to Israel. Hamas warned the Palestinian Authority Saturday, ahead of scheduled direct talks with Israel, that "the Izz-a-Din al-Qassam Brigades will not go soft with those who dare cede the right of return, Al-Quds, and Palestine". Hamas official Khalil al-Hayya called for an uprising against the negotiations, scheduled to begin in ... [More](#)

Jumblatt Rejects Discussion of Army Shortcoming in Burj Abi Haidar

The head of the Democratic Gathering MP Walid Jumblatt refused on Saturday discussion of any army shortcoming regarding the Burj Abi Haidar clashes and called for the establishment of neighborhood security committees. Jumblatt was speaking to reporters following a meeting with President Michel Sleiman at the latter's summer residence in Beiteddine at the head of a delegation of Mount Lebanon MPs that included MPs Talal Arslan and Dori ... Two Palestinians Wounded by Israeli Fire in Gaza

Israeli occupation troops shot and wounded two Palestinians on Saturday into the Gaza Strip, Palestinian medics said. The men were hit as they tried to recover construction material near the security barrier that separates the occupied territories from the Gaza strip, the medics said. An Israeli occupation army spokeswoman said the soldiers spotted "suspects approaching the barrier" in a zone which is banned as part of ... [Details](#)

Netanyahu Proposes Bi-Weekly Meetings with Abbas

Israeli Prime Minister Benjamin Netanyahu has proposed meetings with Palestinian President Mahmoud Abbas every two weeks to improve the prospects of Middle East peace talks, a diplomatic source said Friday. Netanyahu, set to travel to Washington next week for direct talks, intends "to handle the negotiations personally," the source said, speaking on condition of anonymity. The proposal had been passed on to Washington, where the ...

Iran Ready to Arm Lebanon, Solve Electricity File in Six Months

Iranian Ambassador to Lebanon Ghazanfar Abadi voiced Iran's readiness to provide Lebanon with weapons, an issue that he discussed with President Michel Sleiman and Defense Minister Elias Murr. "We are prepared to answer President Suleiman's call to arm the Lebanese army, and the meeting with minister Murr on this matter was excellent," Abadi said in an interview with Lebanese daily An-Nahar published on Saturday. Asked if the army ... [Details](#)

Al-Qaeda Claims Holy Month of Ramadan Attacks in Iraq

Al-Qaeda has said it was behind a wave of attacks across Iraq during the Muslim holy month of Ramadan, a US monitoring group said on Saturday. "Al-Qaeda front group, the Islamic State of Iraq, said that during "the month of fasting and jihad" it launched a "new earth-shaking wave" in its campaign of violence," the SITE Intelligence Group said. In the statement posted on militant forums on Friday, the militants said they targeted ... [Details](#)

Obama Says Iraq War "Ending," Calls Country "Sovereign"

Three days before the official end of the US combat mission in Iraq, US President Barack Obama said Saturday that the war in the country was "ending" and called Iraq a "sovereign" nation free to determine its own destiny. "On Tuesday, after more than seven years, the United States of America will end its combat mission in Iraq and take an important step forward in responsibly ending the Iraq war," Obama said in his weekly radio ... A month after torrential monsoon rains triggered Pakistan's worst natural disaster on record, flood waters are starting to recede -- but leaving countless survivors at risk of death from hunger and disease. The disaster has killed at least 1,643 people, forced more than six million from their homes, inflicted billions of dollars of damage to infrastructure and the vital agriculture sector and stirred anger against the U.S.-backed ... Kouchner Wants EU Role in Israeli-Palestinian Talks

France wants the European Union to have a seat at the table during next week's start of US-backed talks between Israel and the Palestinian Authority in Washington. French Foreign Minister Bernard Kouchner says it would be "too bad" if the EU were locked out - noting the bloc's political involvement in the region and its role as a top contributor of financial aid to the Palestinians. Kouchner said in a speech Friday to French ... [Details](#)
