August 27, 2010 – 9:14 am | [2 Comments](#)

KARACHI – Anticipating the looming disaster in Thatta, PKKH's 'Mere Log' relief workers along with those from FIF (Falah-e-Insaniyat) Foundation had reached Thatta and Makli city early on Thursday with food, clean drinking water and medical supplies as people started to evacuate Sujawal, Mirpur Bathoro, Shah Bandar and Jati.

Cooked food was distributed at dawn to over 10,000 people, and milk and juices to thousands of children.

"Hundreds of thousands are marching out of these areas not knowing what their destination is, with whatever little possessions they could grab. There are people who have had nothing to eat for two days. Its catastrophic, around half a million people are now homeless here. We are trying to provide food for as many as we can but its overwhelming", said one PKKH volunteer.

**(There is an urgent need of food supplies in Thatta. Interested donors please email [MereLog@PakistanKaKhudaHafiz.com](mailto:MereLog@PakistanKaKhudaHafiz.com) or call Tabish Qayyum on +923218950589)**
